We're delighted to have you on board. Here's to the start of a beautiful friendship.

Private Car Insurance Policy

Please read this policy booklet, as well as Your Statement of Facts, Insurance Schedule and Certificate of Motor Insurance to ensure You understand what You are covered for (don't worry if You don't know what any of this means – We'll explain it as We go on).

If You notice any mistakes or have any queries, get in touch with Us straight away.

We recommend keeping all insurance documents in a safe place for future reference.

Important Numbers

If You need to get in touch, just give Us a call on 01 241 8540 or if You need the claims line, You can catch them on 01 290 1999.

INFORMATION IN RELATION TO MAKING A CLAIM

What To Do When An Incident Occurs;

- Do not accept responsibility for the accident.
- Take note of the registration numbers of the vehicles involved along with the insurance details available from the windscreen disc.
- Note the names and addresses of the individuals involved.
- Notify the local policing authorities immediately (where damage to property only is involved the policing authorities will not usually attend the accident scene)
- Where possible take photographs or sketch the accident scene noting the position of the vehicles involved.
- Keep a record of the name, address and phone number of any witness.

We understand that these things happen and We want You to leave the stressful part to Us. That's why Our claims assist team are available 24/7, 365 days of the year. You are with Us now, and help is just a phone call away.

1. If You have an incident, You should call Our claims team immediately to notify them of the details. They'll tell You everything You need to know, advise You of the next steps and send out the necessary forms You will need, if You wish to make a claim. You can call them on 01 290 1999.
2. We've got a network of repairers on the ready, specifically approved by Us, to help You out. If Your Car cannot be driven (and You have comprehensive cover), Our repairer will tow it to their garage for You and get started on the repairs. If You want to use Your own repairer who is not specifically approved by Us You can do so, subject to the terms and conditions set out under 'Clauses applicable to Sections 3 and 4', sub-section 'D. Repair Authority' within this policy booklet.
3. An Excess is the first amount of any claim that You have to pay. The Excess that applies to Your Policy is shown in Your Insurance Schedule. An Excess only applies to claims made under 'Section 3 Accidental Damage to Your Car' and/or 'Section 4 Loss of or Damage to Your Car caused by Fire or Theft'.

When repairs have been completed You may have to pay the Excess directly to the repairer before You can take delivery of Your Car. For example, if Your Excess is €300 and Your claim is worth €1,000, You will pay the first €300 and We will pay the remaining €700.

For full details of Your requirements in the event of a claim, please see Section entitled 'Conditions that apply to the whole Policy', Condition 2 'Accident and Claims Procedure' and Condition 3 'Conduct of Claims'.

Breakdown Assistance

It's bound to happen to You at some stage in Your driving life, and if it does, We'll be by Your side. You can check out the details of the cover as well as Your requirements in the event of a claim in 'Section 12 Motor Breakdown Assistance' or just get in touch with the breakdown team on 01 241 8572.

Keycare Cover

Keycare cover will only apply where Your Policy has comprehensive cover.

Full details of this cover as well as Your requirements in the event of a claim are set out in 'Section 15 Keycare Cover'. If You need to make a claim under this section call 01 518 1412. Remember to have Your FOB ID Number to hand (We sent this out to You with Your key fob). You have to report Your KeyCare claim as soon as possible and no later than 30 days of it happening.

123GO Car Insurance

1. Introduction to 123GO Car Insurance

It is a condition of this Policy that You have a 123GO Box installed in Your Car and that it remains in use at all times. Please refer to Section entitled '123GO Box Installation' for full details on installation.

The data and any personal information You provide Us will be dealt with in accordance with our data protection statement, a copy of which is provided with the Policy. Your rights in relation to the information that is held by Us are also set out there.

123GO is a kilometres based product and so You need to ensure that you purchase sufficient kilometres for the Complete Year of Insurance. If You exceed your kilometres You will no longer be able to drive under the Policy unless You purchase Top Up Kilometres. Please refer to Section entitled 'Top Up Kilometres' for more details on this.

It is your responsibility to notify any authorised person that drives Your Car that a 123GO Box has been installed in Your Car and that their journey will be monitored and that you will have visibility of that data via the 123GO app.

2. 123GO Box Installation

It is Your responsibility to ensure that You have the agreement of any co-owner, hire purchase company, or other person that has a legal interest in Your Car, to having a 123GO Box fitted in Your Car before it is installed.

When You take out the Policy

Once the Policy has been purchased, We will contact You to arrange the installation of Your 123GO Box. You will be required to make Your Car available at an agreed location. If the 123GO Box is not fitted within 14 days of the Policy purchase date or by the date We agreed for installation, We may cancel Your Policy as per the terms outlined in the 'Conditions That Apply To The Whole Policy' section, sub-section '11(a) Cancellations'.

Fitting the 123GO Box

We will fit the 123GO Box at a mutually convenient time at (or near) Your home or place of work or study within mainland Republic of Ireland, provided it is safe to do so.

You are required to meet any expenses associated with getting Your Car to the agreed location.

During the installation process the technician will inspect Your Car and:

- Check Your Car matches the description of the car You provided Us;
- Check if there are any modifications to Your Car's original specification;
- Check the general roadworthiness of Your Car and the NCT, if applicable: and
- Photograph Your Car and document any pre-existing damage.

If Your Car fails the installation process, the installation cannot be completed until You contact 123.ie, who will advise You of any action that needs to be taken.

Change of car

We will need to install a new 123GO Box if You change Your Car.

When You contact Us to tell Us of a change of car We will agree a date by which You have to have the new 123GO Box fitted. You will need to make Your Car available at an agreed location prior to this date. If the 123GO Box is not fitted, We may cancel Your Policy as per the terms outlined in the 'Conditions That Apply To The Whole Policy' section, sub-section '11(a) Cancellations'.

As in the case of initial installation outlined above, We will fit the 123GO Box at a mutually convenient time at (or near) Your home or place of work or study within mainland Republic of Ireland, provided it is safe to do so.

You are required to meet any expenses associated with getting Your Car to the agreed location.

3. Operations of 123GO Box

Your 123GO Box will measure and transmit various aspects of how Your Car is driven. These measurements will include (but are not limited to) Your speed throughout Your journey, braking frequency and force, acceleration, cornering and sudden manoeuvres, kilometres travelled, time and date of travel and Your Car's location. The 123GO Box will continue to record how Your Car is driven regardless of who is driving the car and these measurements will contribute to Your Driving Style Score.

Your Driving Style Score is used by Us as follows:

- To contribute toward the calculation of insurance premiums
- To help Us determine the precise circumstances of any claim under Your Policy
- To determine Your Available Kilometres and
- To identify unacceptable driving as detailed below.

Accident Detection

If You are involved in an accident, the 123GO Box may trigger an alert message to Us, and if Your Car is not moving, We may try to contact You.

If You need assistance We'll be happy to help You on Your way or arrange for Your Car to be recovered to one of our repairers. If We cannot contact You, We will send an SMS text message asking You to contact Us. We will only try to contact the number provided by You.

Do not assume We will contact You, or any emergency services, after an incident has occurred. We will try to make contact with You, and, if We think it necessary, We will contact the emergency services, however You should take all appropriate steps to protect Your safety and report any incident to the appropriate emergency services and to Us.

Data Capture

If data from Your 123GO Box is not collected for a period of 21 consecutive days or longer, We will contact You. We may request that Your Car is started or driven so We can verify there isn't a defect. If You do not respond to our requests, We may cancel Your Policy as per the terms outlined in the 'Conditions That Apply To The Whole Policy' section, sub-section '11(a) Cancellations'.

123GO Box Faults

If during the monitoring of data from Your 123GO Box We suspect that there is any defect in the operation of Your 123GO Box We will contact You to arrange for the defect to be rectified. You must also contact Us if You believe for any reason that the 123GO Box may be defective in some way.

We will contact You to arrange for the defect to be investigated and rectified. If You do not respond to our requests We may cancel Your Policy as per the terms outlined in the 'Conditions That Apply To The Whole Policy' section, sub-section '11(a) Cancellations'.

We will not be responsible for any faults or damage or the cost of replacing the 123GO Box if the fault or damage is caused by You, or anyone other than Us.

To the extent permitted by law, We will not be held responsible for any loss, damage, liability or costs arising out of or in connection with the use of the 123GO Box.

Where you experience problems with the 123GO Box or you become aware that the 123GO Box has been subject to tampering you are required to contact Us as soon as possible.

Driving Style Assessment

Your driving style is assessed by Us using a number of factors. These factors include (but are not limited to) Your speed throughout Your journey, braking frequency and force, acceleration, cornering and sudden manoeuvres, kilometres travelled, time and date of travel and Your Car's location. Your Driving Style Score is Used by Us to calculate Your renewal premium. From time to time, We may review Your Driving Style Score and contact You to discuss Your results and offer advice on how Your score can be improved.

Tampering

The 123GO Box has attack safeguards and tamper controls and it is a condition of this Policy that You will not permit any unauthorised interference with the 123GO Box by any person.

If We detect any unauthorised interference with the 123GO Box or any interference with the signal emitted from the 123GO Box, the warranty of the 123GO Box as detailed below will be invalidated and We may cancel Your Policy as per the terms outlined in the 'Conditions That Apply To The Whole Policy' section, sub-section '11(a) Cancellations'.

Top Up Kilometres

Your Policy only provides cover for the number of kilometres shown on Your Insurance Schedule. The 123GO Box in Your Car is used to record the number of kilometres driven by Your Car. The current Available Kilometres are shown in Your 123GO app.

Before You run out of Available Kilometres You will need to contact Us (or We may contact You) and take one of the following actions:

- You may purchase Top Up Kilometres for an additional premium.
- You may not drive Your Car for the remainder of the current Complete Year of Insurance
- You may cancel Your Policy.

If You fail to agree to one of these options We may cancel Your Policy as per the terms outlined in the 'Conditions That Apply To The Whole Policy' section, sub-section '11(a) Cancellations' as soon as the amount of Available Kilometres has been exhausted.

Please note, Your Available Kilometres and any Top Up Kilometres purchased can only be used in the current Complete Year of Insurance and cannot be carried forward to any subsequent Complete Year of Insurance.
